

**LA ADUANA**  
coworking

# OVERVIEW

La Aduana Coworking is a Málaga-based company, established in 2018, that offers over 1,000 m<sup>2</sup> of premium flexible workspace across three prime locations in the city: two in the vibrant Historic Center and one just steps from La Malagueta beach.

# OVERVIEW

Our signature coworking spaces combine design and brightness as basic pillars of user comfort and productivity.

24/7 coworking spaces that include all necessary services and amenities to harness synergies from across the many firms and independent professionals that already make up a well-established community over the last years.

Flexibility is our flagship, founded on a highly bespoke management approach that will make you feel right at home in your own workstation.
